# GlassBuild America Annual Exhibitions

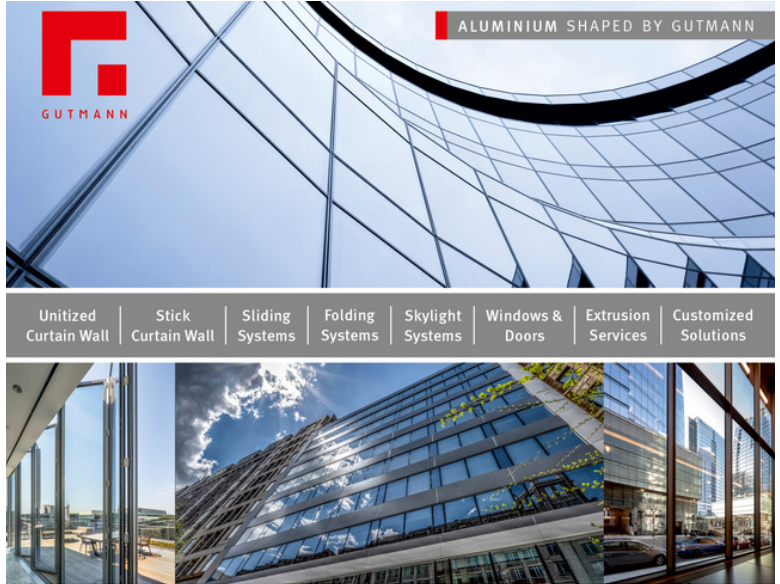

GlassBuild America hosted by the National Glass Association (NGA) is the largest trade and networking event in the western hemisphere for the glass, window, and door industries.

The show has exhibitors and attendees who's primary business is in commercial and/or residential fabrication, glazing, and supply of glass and metal.

The event has an impressive number of exhibitors attend every year, but its value goes well beyond the range of companies on display.

Walking the show floor attendees notice that everywhere they look their is live demonstrations of innovative products, software's, and machinery having to do with glass and metal.

The appeal of this event for attendees goes beyond the vast number of exhibitors from across the industry on the show floor. An impressive list of industry professional speakers, as well as the annual glazing forum where best business practices are discussed and shared add tremendous value to the event.

## Why We Love GlassBuild

GlassBuild America has a wide appeal to anyone looking to purchase, supply, or build new connections within the glazing and fenestration industries.

We love that this event brings the professionals in this industry together to discuss what the problems people are facing in the market, what innovations the industry is seeing, and the chance to connect problems people are facing with solutions. With so many attendees from this industry you are more than likely going to run into someone you know!

# Gutmann North America At GlassBuild America

## We Were There! Las Vegas 2022

In 2022 the event was held at the Las Vegas Convention Center from October 18th to 22nd. The event was full of industry experts unveiling new technologies and displaying tried and true products. There were almost 500 companies exhibiting and over 8,000 attendees!

The Vegas show had the key topic for speakers being women in glass and fenestration.

We are proud of the Gutmann North American team for putting together an amazing exhibition with all of our sales team in attendance. The show was a great success thanks to the hard work of the NGA team.

## Looking Forward...

### Atlanta 2023

GlassBuild America will be returning in October of 2023! The show will be hosted at the Georgia World Congress Center - Atlanta, GA from Oct 31st, 2023 - Nov. 2nd, 2023. With more than 400 exhibitors from across the globe planning to exhibit at the show is the perfect place to make lasting connections in the industry.

If you are attending, which we recommend you do, we would love for you to come meet our team at the Gutmann North America Booth. Booth #2912.
